Connecticut Personal Injury and Civil Litigation Attorneys of Silver Golub & Teitell LLP Launch Website

The Connecticut law firm of Silver Golub & Teitell LLP recently launched a website to make it easier than ever to connect with an experienced personal injury, wrongful death, and complex civil litigation attorney or get answers to basic legal questions.

Stamford, CT ([Martindale-Hubbell® Newswire](#) / [PRWEB](#)) March 23, 2010 -- Stamford, CT law firm of Silver Golub & Teitell LLP recently launched their website: www.sgtlaw.com , providing a valuable online legal resource to current and potential clients.

The site offers helpful information to remove some of the fear and uncertainty from the legal process. It includes descriptions of the firm's practice areas, representative cases, historic results, and profiles of the attorneys who can help.

"We anticipate that our new website will provide reassurance and useful information to existing and future clients. Our firm has a long and successful tradition of protecting people's rights, and this website reflects our commitment to providing the best possible representation," said Partner, [Peter M. Dreyer](#).

Website visitors will also learn how the experienced attorneys at Silver Golub & Teitell LLP can assist them with their legal case. The firm has developed a reputation for maintaining high ethical standards while aggressively representing clients throughout Connecticut in [personal injury](#) and [complex civil litigation](#) matters.

About the Firm:

Founded in 1978, Silver Golub & Teitell is one of the leading personal injury and complex civil litigation firms in Connecticut. Its trial attorneys represent individuals and businesses in cases of medical malpractice, catastrophic injuries, wrongful death, employment law and commercial litigation throughout the state, including Fairfield County, New Haven County, and Hartford County. Contact Silver Golub & Teitell online at www.sgtlaw.com or call (877) 731-9050 for more information or for help.
